as clerk Taluk Office, Bellary consequent on the abolition of the posts of Firka Supply Officers in Bellary district from 1-8-1950. He had applied to the Collector for the grant of increments for the period he worked as Firka Supply Officer in the Civil Supplies Department of this district.

2.The conditions of service in the Civil Supplies Department were stipulated in G.O.Ms.No.449, Food Department dated 16-4-1947 as subsequently amended. The temporary personnel working in the Civil Supplies Department would be on probation for a period of six months from the date of their first appointment, and they are also eligible for increments. In this office reference 15065/51.N7,dated 13-9-1951, the Board was addressed regarding the drawal of increments by the temporary persons in the Civil Supplies Department. The Board in its reference cited above has stated that it is not proper to deny the increment to the clerk for the period he worked as Firka Supply Officer in the Civil Supplies Department. It was also ordered that the arrear pay bill should be prepared and sanction of the Government obtained for investigation by the Accountant-General, Madras.

3/The Revenue Divisional Officer, Bellary declared that Sri.N.Pratap Singh completed his probation satisfactorily on the after-noon of 20-10-1946 in his L.Dis. 7576/51,dated 27-10-1951. The particulars relating to the arrears of increment claimed by Sri.N.Pratap Singh are given below:-

1.The arrear claim relates to the period from 1-1-48 to 31-7-1950.

2.It has to be investigated for the same period.

3.The amount involved in the claim is Rs.171-0-0

4.Sri.N.Pratap Singh does not seem to have made any previous application for drawal of arrears of increment. Further action was taken only on receipt of the report from the Tahsildar.

5.The individual was taken back to the taluk office, Bellary on 1-8-1950 after the termination of his post as Firka Supply Officer. He was working as Firka Supply Officer since 21-4-1946. The G.O. stipulating the conditions of service was issued only in the year 1947. He claimed arrears only in the year 1951. Hence there was delay in preferring the claim by Sri.N.Pratap Singh.

6.The applicant is thus responsible for the delay. Hence a cut of 15% of the arrear claim may be made.

7.The arrear claim may be investigated for the period from 1-1-1948 to 31-7-1950 and the amount now claimed less 15% may be got sanctioned.

I request that the Government may be addressed for sanctioning the investigation of arrear claim by the Accountant-General,Madras. The Service Register of the individual, the arrear pay bill and the increment certificates etc, are enclosed.

As instructed in Board's reference cited, I submit herewith a revised arrear pay bill of Sri.N.Pratap Singh claiming the arrears of increments from 21-4-1947 to 31-7-50 and request that the sanction of the Government may be obtained for investigating the arrear claim by Accountant-General, Madras.
